WHITEPAPER

INTRODUCTION

Meet "SCRAT" 🐿️ meme crypto project with native token \$NUT, inspired by the tenacious spirit of Scrat! Just like Scrat relentlessly pursues his precious "nut", \$NUT is driven by the pursuit of decentralized finance and sustainable growth. Join us on this epic quest to secure your financial future!

Introducing 'NUT' - the cryptocurrency that's turning the market upside down! 🚀 This meme-inspired token brings a blast of humor and excitement to the world of finance. With 'SCRAT,' every transaction is a thrilling adventure, offering holders exciting rewards for every buy and sell.

WHY CHOOSE \$NUT 🌰

With just 420,000,000,000 tokens, there is enough for meme appeal while not having so many zeroes that it becomes painful to figure out how much someone has.

\$NUT 🌰 is here to make memecoins in BSC great again.

\$NUT 🌰 will be more than just a memecoin, this little raccoon holds immense potential!

\$NUT 🌰 is a fully Decentralized Meme Currency built on Binance Smart Chain which is one of the largest and safest Blockchain protocols. Our team developed the community-driven project, empowered the meme loving community.
